Attorneys for Applicants Path Network, Inc. and Tempest Hosting, LLC

8 **UNITED STATES DISTRICT COURT**
9 **NORTHERN DISTRICT OF CALIFORNIA**

10
11 In Re *Ex Parte* Application of
12 Path Network, Inc. and Tempest Hosting,
13 LLC,
14 Applicants.

CASE NO. 3:23-MC-80148-JST

**DECLARATION OF MARSHAL WEBB IN
SUPPORT OF PATH NETWORK INC. AND
TEMPEST HOSTING, LLC'S
OPPOSITION TO RENE ROOSEN AND
GAME SERVER KING'S CORRECTED
MOTION TO INTERVENE AND QUASH,
MODIFY, OR STAY EXECUTION OF THE
SUBPOENA TO DISCORD, INC.**

1 I, Marshal Webb, declare as follows:

2 1. I am the founder and Chief Executive Officer of Path Network, Inc. I have been in
3 this role since December 2018. I make this declaration in support of Path Network, Inc. (“Path”)
4 and Tempest Hosting, LLC’s (“Tempest”) Opposition to Rene Roosen (“Roosen”) and Game
5 Server King’s (“GSK”) Corrected Motion to Intervene and to Quash, Modify, or Stay Execution
6 of the Subpoena to Discord, Inc. (“Motion”; “Opposition”).

7 2. I work in the same industry as GSK and Roosen – the data and server hosting and
8 leasing industry. In this industry, the identity of a company’s customers is publicly available.

9 3. The identity of GSK’s (and Roosen’s) customers can be found at various locations
10 including, but not limited to, the following web addresses: bgp.tools; battlemetrics.com. On
11 bgp.tools, GSK’s commercial customers’ networks (and the identities of those customers) are
12 displayed. On battlemetrics.com, GSK’s individual hosting clients are displayed.

13 4. Bgp.tools and battlemetrics.com contain sufficient information to enable a user to
14 contact the listed customer.

15 5. In our industry, it is not possible to keep the identity of your customers confidential
16 because they are automatically advertised through public routing procedures using BGP – Border
17 Gateway Protocol, and are therefore available to all internet users.

18 6. Attached hereto as **Exhibit A** is a true and correct copy of an example of a website
19 showing the identities of Cosmic Global’s commercial network customers, which I accessed on
20 February 2, 2024 for the purpose of providing support for this affidavit.

21 7. Attached hereto as **Exhibit B** is a true and correct copy of an example of a website
22 showing the identities of GSK’s commercial network customers (or the lack thereof as of the date
23 I accessed the website), which I accessed on February 2, 2024 for the purpose of providing
24 support for this affidavit.

25 8. Attached hereto as **Exhibit C** is a true and correct copy of an example of a website
26 showing the identities of some of GSK’s individual hosting customers, which I accessed on
27 February 2, 2024 for the purpose of providing support for this affidavit.
28

1 9. Attached hereto as **Exhibit D** is a true and correct copy of an example of a website
2 with information related to one of GSK's individual hosting customers, including its website at
3 which it could be contacted, which I accessed on February 2, 2024 for the purpose of providing
4 support for this affidavit.

5 I declare under penalty of perjury under the laws of the United States that the foregoing is
6 true and correct. Executed on February 2, 2024, at Phoenix, Arizona.
